

Under 13's

Owzat?

15 May 2010

Now we are going strong with a record of played 2, won 2, and the makings of a very strong team. Registration forms are now needed, together with the membership fee (reduced to £10 as we've been charging for training, but won't do any more).

LPCC 98-3 Dunnington 77-4

A very comfortable victory against usually a strong side, while missing several players to football is a good indication that we should be challenging for honours this year. Jack Lakin, Ben Byas and Charlie Cartwright all batted well and in good partnerships. Skipper James Hanley and Will Stephenson both made well constructed 30's before being retired before Stephen Croft and Jacob Singh added some oomph towards the end. Dunnington collapsed to 7 for 3 in five overs against Will and James. There were good bowling performances all round as everyone got a bowl, with Toby Guest, Jack Craven, Charlie, and debutant Lewis Beaton all performing well. A great start to the season.

LPCC 117-5 Beeford 33

Winning the toss and batting in a friendly versus Beeford, this new look Londesborough team again came out on top. Ben Shingles (slightly shorter hair than Joel!) played a composed innings before being retired at the end for 33. Others also batted well before James came in at the end with some lusty blows, though extras remained top scorer! The real positives were in the fielding and bowling. Excellent ground fielding throughout and good catching kept Beeford in check. Toby Stephenson started things off on the right note with a wicket from the first ball of the innings (his first in the under 13's) and two more followed for him. All the bowling was good, including Lewis x2 (Medley and Beaton), Charlie, Toby G, the Shingles and Will. Beeford played well but could not match LPCC on the day. Both sides enjoyed a glorious afternoon at the Park.

Practice

Practice is on Tuesdays from 6pm to 7:30pm. One of us (or hopefully both) will be there every week.

Fixtures

League fixtures are all scheduled for Sunday mornings and start at 10am. Please try to get there for 9:30am. We'll text those who are selected. Pocklington have managed to raise a team and re-entered the league. We will arrange a match against them mid-week, as the date for the scheduled fixture has past. We may also play Thixendale mid-week as the due date is bad for both sides.

We have arranged a friendly against tourists Tynemouth CC during the day on 5 August. Details to follow.

The league 6-a-side tournament preliminary round will take place before 25 July at LPCC against Stamford Bridge, Thixendale and Woodhouse Grange. The top 2 will go through to the finals on 1 August.

The LPCC 6-a-side competition will take place on Sunday 25 July.

Cricket kit - LPCC provides a range of club kit which is good quality and not too expensive. Chief shop assistant is George Drewery, His telephone number is 01430 873877, or let either of us know and we'll get whatever you want. It would be good if we all had LPCC caps (and if possible shirts too) so that we look like the formidable team we aim to be.

In 2010 we want to win as many matches as we can; get all players involved and enjoying the cricket; play as a team, working together; and play in the right spirit, so we can be a credit to the club and to the game. So far, so good!

Please phone us if you need any other information.
